About us

Over the years Meghdoot Laminart Pvt Ltd., has become synonymous with exquisite taste, unparalleled technology, and unmatched quality. Operating with the utmost in business ethics, we are known for our reliability and attention to detail on every deal making your experience with us authentically different. Our Founder and technology expert, Mr. P. K. Patel, and the team at MLPL, lend our expertise and passion for manufacturing to each laminate we produce. As a collective team, the designers create both modern and traditional designs with a unique twist, turning any space into a powerful expression of the client's personality.

Products

What distinguishes Meghdoot products? Beautiful, uncomplicated designs. Smart pattern options that put creative controls at your fingertips. Green material and finishes. Solid construction. Meticulous detailing. Competitive pricing. And proven long-term performance in demanding interior solutions.

However more than just the sum of our product lines, Meghdoot is an integrated resource with the passion and expertise to help our clients achieve success. No matter what the size of a order, we're committed to enhancing life in interior spaces and exterior claddings and embrace our role as an innovative, responsive partner interior professionals can rely on and trust.

Interior Wall Cladding

Meghdoot Internal Wall Cladding provides designer solution to interior spaces of office, residential projects, hospitals etc. It is made of world class **Phenolic Compact Laminate** with great design and finish. It is highly durable, anti bacterial and moisture resistant.

Interior Wall Cladding

Meghdoot Internal Wall Panels have been re-imagined to offer a variety of functional and aesthetic improvements. Meghdoot Wall Panel Collection of finishes now includes creative designs, giving you freedom to create interior environments that range from classic to wildly expressive. It is more durable, so your vision will be preserved for years after installation.

Both planning and design of a headwall are essential for creating a room that looks impressive while remaining functional. The configuration options shows allow for cut outs to address gas, electric and other services that may be required in field. With Meghdoot Compact Panels, the design options are virtually endless and your vision will be well protected.

Compact Laminates

Phenolic Compact Laminates

In past, designers and owners are forced to choose among a limited selection of wall cladding options or face wall damage. Meghdoot Compact Laminates provides many designer finish, colours and simulated patterns to have total visual freedoms. It's creation without compromise.

Partition

Restrooms

Meghdoot restroom collection has an elegance with hygiene. It manages high level of hygiene, safety and ease of installation.

Meghdoot have been enhancing interior and exterior panelling and restroom solutions for more than twenty years. The collection has an unparalleled range of options – from solid colours, to linear themes, to bold geometric forms – and a collection shaped by superior quality, clean and aesthetic look and outstanding value.

School

It's now time to change to high quality Meghdoot Chalk board and Marker board. It is durable and its colour and finish increases visibility of matters on it.

Lockers

Meghdoot Locker collection communicate an unmistakable message of quality and safety. Available in variety of finishes, colours and patterns and made of HPL compact laminate. Exquisitely detailed finishes add to visual richness of each design.

Exterior Grade

We at Meghdoot, manufacturing exterior compact laminates since many years and exporting it to U.S.A., Europe, Middle East, Far East and Africa etc.

Focusing on latest trend and life style it creates unmatched elegance to your facades. It gives rich and classic exterior look with durability and high grade of quality.

Exterior Grade

As name suggests, is the ideal product for exterior applications. It has PF craft paper at its core, sandwiched between an extra-strong panel and imported design paper. It bonded with resins and produced under great pressure and temperature. It designed to withstand the vagaries at nature and comes with high UV-resistance.

Exterior compact laminates are perfect as a cladding material to make elegant facades. It is easy to install and with no maintenance with various decorative options.

Skateboard Ramp

Meghdoot Skateboard Ramp Collection is recognised worldwide for their distinctive designs and high performance quality and durability. All collection is designed to function beautifully on their own or pair up with other Meghdoot products.
